Community Ministry Report

February 12, 2019

Hello,

On January 25th Pastor Peterson, Neal and I had a meeting to talk about future planning for the Community Ministry.

Saturday January 26th pastor Peterson, Steve Mayer, Mary Reed-Farris and I had a meeting about the lunches. In the meeting, we talked about what would be the best practice to place an order and pay for the lunches. Steve had express that he prefer we use the reimbursement form so it will be credit to the Community Ministry budget.

This has been a very busy beginning of the year 2019. Last month in January, we collected warm items and donated them to the Open Shelter. The Noisy Offering is going very well. For now, we have \$826.50 from cash, checks and rolled coins. Thank you to Sarah Bender in organizing this event. Gretchen and Katie Brandt in helping count the money and the children for the noisy collection. We still have two more Sundays to go! The Congregational Life and Community Ministry joined together for another successful Souper Bowl 2019 with a total of \$308.00 for the LSS Food Pantry. Many thanks to the people who made soups and the ones that voted.

JANUARY/FEBRUARY 2019 WORSHIP MEETING

Committee members: Pastor Peterson, Sarah Bender, Katie Brandt, Neal Coryell, Jack Greene, Shirley Griffin, Beverly Speasmaker, Tom Wells, Donna Bowman, chair

Due to scheduling conflicts, we did not have a meeting in January but had a combined January/February meeting instead, with chocolate chip cookies.

Thank you to Sarah Evinsky who made a sidewalk sign indicating that we hold morning prayer services.

We started with a video and discussion of the church year. The first half of the year starts in December with Advent, continues until Pentecost and follows the story of Jesus life. The second half of the year starts after Pentecost and continues to Christ the King Sunday and tells the story of the church.

Although Lent doesn't begin until mid-March, we have started planning for Lent by selecting the liturgy, a theme for the midweek services, and discussed music. In addition to midweek services at noon and seven, Pastor Peterson will be saying the Stations of the Cross on Fridays at noon. The committee urges the contributions from the midweek services and Lenten folders be designated for the sanctuary project at First English.

We will be ordering palm branches from Lutheran World Relief. The workers who harvest the palms are paid a fair wage and so harvest fewer palms thereby protecting the forests and the profits go back to the communities in Mexico and Guatemala that raise the palms.

Tom Wells will be evaluating the sound system as we continue to receive comments from the congregation about the difficulty hearing speakers using the lectern. Depending on the cost, a member of the committee has offered to pay for a new or additional microphone.

The noisy offering was enjoyed by both the congregation and the children and will continue for the month.

We are planning for a wine tasting after church on Pentecost.

The worship committee will be hosting the coffee cart in February.
